Dear Mr. Gross:

Re: Annual Report for 1991, Golden Rule Mine, S/047/037, Golden Rule Special, S/047/038, and Annual Report and Transfer of ML 44152, S/047/047, Uintah County, Utah

Thank you for returning my phone call today, regarding the annual reports for the three mines permitted under your name; the Golden Rule, the Golden Rule Special, and ML 44152.

Enclosed are annual report forms for all three operations, plus a transfer form for the ML 44152 mine. Would you please complete the annual report forms and return to this office by March 16th. The transfer form and annual report for the ML 44152 operation also needs to be returned by that date. Would you please convey this to the new operator.

Thank you for your cooperation in keeping the permits and reports current as required by Utah Minerals Reclamation Rules R647-3.

Sincerely,

Joelle Burns
Minerals Secretary
